The Palestinian Authority is dealing today with various problems, such as the continuation of the occupation and settlements, the expansion of unemployment and poverty, lack of national unity due to the split between West Bank and Gaza, the continuation of the siege on Gaza and the closure of its borders, the spread of corruption in public institutions, and others. Write to us, what do you think is the most basic problem that should be at the top of the Palestinian Authority priorities? (P20)

(If you do not support the plan 8-10) because you did not support the plan offered to you, let us check if some of the changes below may affect your position from against to support the proposed settlement arrangement. 

PV11.1. If, in addition to all the components of the plan 8-10, Israel agrees to accept the Arab peace initiative and will support it by all Arab states, would you support the peace agreement? Would you support or oppose this agreement?

IV11.1. If the agreement is part of a larger peace agreement, would you support or oppose it?

PV11.2. There are sacred places which will not be under Israeli or Palestinian sovereignty, but under the auspices of a supra-national body, including Israel, the Palestinian state, Saudi Arabia, Jordan and Syria. Would you support or oppose this arrangement?

PV11.3. If Palestinian workers will be able to work freely in Israel after the Palestinian state is established? Would you support or oppose this arrangement?

PV11.4. If refugees in the camps in the Palestinian state will be resettled and given homes where they can settle and recover? Would you support or oppose this arrangement?

IV11.4) If settlers are allowed to choose to stay in their homes after the Israeli withdrawal from the territories, to keep their Israeli citizenship, but at the same time,while the safety of their lives is guaranteed by the Palestinian authority, and as much as possible to return to the original settlement.

PV11.5. If the peace agreement between the Palestinian state and the state of Israel is based on mutual trust between the two sides? Would you support or oppose this arrangement?

IV11.5) If the peace agreement guarantees Israeli access to all the sacred sites in Jerusalem and other places in the Palestinian territories? Would you support or oppose this arrangement?
